Authorization to the processing of personal data

Having read the information pursuant to art. 13 of the legislative decree 30 June 2003, n. 196, the Participant authorizes the treatment and communication to the organizing associations of their personal data, for the purposes connected to the realization of the sporting event and for the eventual publication of the results of the race. The Participant expresses his consent to the treatments specified in the information, authorizing the sending of informative material relating to subsequent events or various initiatives proposed by the organizers and authorizes any photographic and cinematographic filming for the making of videos, bulletin boards, publication on printed paper and web (including download).

Signature _____

Information pursuant to art. 13 of Legislative Decree n. 196/03

The personal data of non-competitive ecological riders are treated in accordance with the legislative decree 30th June 2003, n. 196. Personal data is collected at the time of registration and is provided directly by the interested parties. Failure to provide personal data will make it impossible to accept the registration itself. The data is processed on paper and electronically by the Organizer, for all the obligations related to the organization of the event. In relation to any sensitive data it contains, subscribers are required to expressly express their consent for the processing of such sensitive data. Communication, dissemination, transmission of sensitive data to third parties is not envisaged.
